The Auction

238 bids received in 5 hours savings19.2% **€6.0 After Before** Savings

le Sourcing

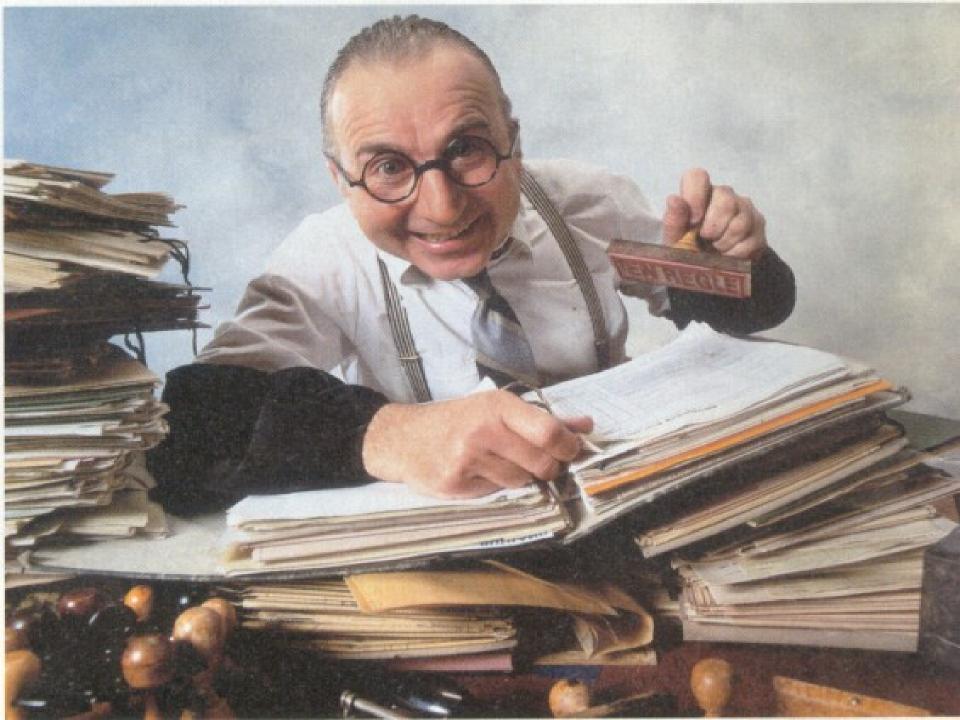

- •le plus difficile, le plus onéreux mais où les enjeux de réduction de couts sont les plus grands
- •recencement et qualification des fournisseurs est, avec la rédaction du cahier des charges la condition sine qua non d'enchères réussies
- dans de nombreux cas (produits complexes nécessitant un travail collaboratif), c'est le sourcing qui permet de trouver les partenaires
 négociation
